Indian Society of Renal and Transplantation Pathology

CME on Renal Pathology

in collaboration with

Indian Society of Nephrology

17th December 2008, Wednesday

PUNE

Welcome

Indian Society of Renal and Transplantation Pathology in collaboration with Indian Society of Nephrology is organizing one day CME on Renal Pathology. The practice of nephrology and renal pathology is very much interdependent. This common platform for renal pathologists and nephrologists will provide opportunity to share their views for the betterment of the subject and patient care. The topics for the CME will be of interest to renal pathologists, nephrologists and postgraduates.

Registration Fee: Rs 250/-
