

November 2009

Dear colleagues,

The Renal Pathology Society (RPS) is pleased to announce the 1st International Renal Pathology Conference to be held in La Coruna, Northern Spain, in June 9-12, 2010. This is a **Joint meeting of the Renal Pathology Society and the European Society of Pathology–Working Group with participation of the Spanish Societies of Nephrology and Pathology.**

The conference is co-chaired by Professors Surya Seshan and Eduardo Vasquez-Martul and features a 2^{1/2} day program (attached) delivered by international speakers including from the USA, Europe and South America and is endorsed by the Kidney Foundation of America (KUFA), RPS, ERA-EDTA, GENZYME and other donors. A warm welcome and rich cultural program is planned by local host, Professor Eduardo Vasquez-Martul.

RPS members can register online or by forwarding a completed registration form to the RPS secretary/treasurer by e-mail, mail or FAX.

Instructions on how to register online via the RPS website are posted under Calendar of Events when you click a Coruna meeting. www.renalpathsoc.org

Deadline for registration is April 30th.

Non-RPS members cannot register online but can send a completed form to me (attached) **European members** paying in Euros please e-mail me for instructions.

For Hotel reservations please fill in the attached form and send to **Laura Varela by e-mail** congresoscoruna@viajeseci.es

or TEL: +34-981 26 10 20 (ext. 2) FAX: +34-981 27 25 39

For airfares and best routes from your city to Coruna, Spain, please visit

www.viajeselcorteingles.es

This agency is authorized by the RPS to **make attendee travel arrangements** payable to **Corte Ingles**.

For available sample fares, go to the agency's website bottom of home page, and clique on your country's flag if it applies.

There is some information in English under the American flag.

There are direct flights from London and Madrid to La Coruna.

Otherwise, please contact Laura; she will be happy to help with your travel arrangements.

Please make your reservations early, so that you are accommodated close to the meeting venue.

The RPS and ESP Working Group are very excited about this event and are looking forward to a successful scientific exchange and culturally enjoyable meeting.

With best wishes,

Helen Liapis, M.D.

RPS secretary treasurer
